## **NWBC 2015 - The 6th Nordic Wood Biorefinery Conference**

Helsinki, Finland, October 20 - 22, 2015

The international event, Nordic Wood Biorefinery Conference (NWBC), is the leading meeting forum for wood biorefinery professionals. This conference is jointly organised by VTT Technical Research Centre of Finland Ltd and Innventia.

The conference programme will consist of keynote lectures, invited and submitted papers, as well as poster presentations. In line with the previous NWBC conferences, the presentations will give a comprehensive overview of the recent progress in wood biorefining research and commercialisation.

The programme will cover the following main topics:

- Policy issues
- National and international programmes and projects
- Industrial experiences and projects
- Technologies and products
- Technical and economic feasibility, and sustainability
- Markets
